Agripreneurship Orientation Programme (Pre-Seed)

This programme aims at providing an opportunity to students/ youth to work on their innovative ideas by imparting two months training cum hands on internship with other start-ups. Guided by experienced and innovative startups, they will be able to understand business concepts/nuances, strategy and practical insights of specific industries or markets, challenges and strategies to resolve them.

After successful completion of the two months orientation programme, the NIAM Centre of Excellence Incubation Committee (CIC) will recommend the selected start-ups for Idea/Pre-Seed Stage Funding grant-in-aid up to Rs. 5 lakhs to Nodal Division, Department of Agriculture Cooperation and Farmers Welfare (DAC&FW).

Objectives

- a. To nurture potential agripreneurs by providing training cum internship with other startups to provide them practical, technical and business insights.
- b. To create and nurture a pipeline of agripreneurs for incubators.
- c. To make pursuing entrepreneurship related to innovative ideas an attractive career option among other available career choices.

Eligibility Criteria

- a. The applicant should propose one innovative idea based on technology, service, business platforms etc. for increasing efficiency in agriculture and allied sector.
- b. The applicants are expected to pursue their entrepreneurial aspirations full time.
- c. The applicant should have an initial business plan/ proposal for the idea they intend to pursue.

Selection Process of Interns for Agripreneurship Orientation

- a. All applicants for this programme will apply as per the prescribed format.
- b. The selection of agripreneurs that have an innovative idea based on technology, service, business platforms etc. and interest in pursuing their entrepreneurial aspirations full time, shall be done by the CIC.
- c. Under this component, the CIC will select a batch of maximum 30 agripreneurs that have a workable innovative idea.

Idea/ Pre-Seed Stage Funding :

- a. Each selected startup will be provided a maximum limit of Rs 5 lakh as grant in aid under the scheme for working on their idea to convert it into a marketable product. The amount of Rs. 5 lakh is the upper limit of the seed fund assistance.
- b. The applicant incubatees would be provided funds as per their genuine requirements and as per appraisal/evaluation of their business plans by the RC(RAFTAAR Selection & Monitoring Committee) and the decision of the RC in this regard will be final.
- c. The RC will not be bound to give any reason in case an application for seed loan is rejected. In case, the incubatee is already receiving grant/financial support from any other source, he should disclose the same and the issue of grant under RKVY-RAFTAAR will be decided on a case to case basis by RC based on recommendation of the CIC (NIAM, Centre of Excellence Incubation Committee)
- d. For ensuring the incubatee / private participation in the programme, 10 percent of the project cost on a proportionate basis will be borne by the incubatee. The remaining 90 percent of the project cost on a proportionate basis up to a maximum of Rs. 5 lakhs will be borne under the RKVY- RAFTAAR scheme which will be released in two instalments as mentioned below:
 - i. The first instalment of 60 % of the amount of the sanctioned project for support under Idea Stage Funding will be released after signing of the agreement between the incubator and the incubatee.
 - ii. The final instalment of 40% will be released to the Incubatees by the Nodal Division through Incubator after recommendation of CIC and RC based on their performance and milestone achieved as well as after utilization of 80% of previously released amount and receipt of provisional UC (Utilization Certificate) of 80% of already released funds.

Broad Activities

- a. These young agripreneurs will receive up to 60 hours initial training along with hands on trainingcum internship with other startups.
- b. They will refine/ work on their innovative idea simultaneously.
