Q&A FROM PROUD VETERINARIANS

WHY PGDM(ABM) FROM CCS NIAM AFTER B.V.SC. & A.H. ?

"B.V.Sc & A.H gives you outlook of clinical aspects only. But PGDABM helps you learn managerial skills which help one to navigate professionally and personally. It broadens perspective in so many more ways beyond just pure veterinary field. Thus I recommend PGDABM for those who want to be an entrepreneur or those who want to broaden their professional aspects/career opportunities"

Q&A FROM PROUD VETERINARIANS

WHY PGDM(ABM) FROM CCS NIAM AFTER B.V.SC. & A.H. ?

"A thorough understanding of agribusiness and the possibilities of entrepreneurship are sorely missed curriculum components as veterinary undergraduates. CCS NIAM provides young vets with a great opportunity to understand agribusiness dynamics and accelerate their early career growth. Those eager to enter the private sector and make a mark as business professionals should definitely look at pursuing PGDM (ABM) from NIAM, one of the best agri-marketing institutions in the country."

Q&A FROM PROUD VETERINARIANS

WHY PGDM(ABM) FROM CCS NIAM AFTER B.V.SC. & A.H. ?

"I joined PGDM ABM as I wanted to learn the business skills to be an entrepreneur and to diversify myself from what we learn in the veterinary and to be able to grow on a different ground.

And Niam helped me to get all of it.

Niam has helped to give me to get experience of business and marketing acumen, holding the positions of responsibility being in different committee building up contacts. Besides all that Niam gives an excellent ROI with good placements and alumni base holding high position of responsibility in various veterinary related companies"
