Message From Assistant Director

Dr. Shuchi Mathur
Assistant Director,
CCS NIAM

Chaudhary Charan Singh National Institute of Agricultural Marketing has been achieving 100% placement since its inception. It has always been recognized that grooming is a continuous effort and a huge investment in resources thus making it essential to adapt to the corporate environment at large. We at CCS NIAM ensure that every student gets the right skill and domain knowledge so that they are easily acceptable to the industry.

This year we have set a higher benchmark by achieving staggering

placements despite all the disruption caused by the pandemic. COVID-19 impacted every individual and every business entity across the world. While the entire world was trying to adapt to the new normal, CCS NIAM proactively managed all academic, co-curricular, and extra-curricular activities with extreme efficiency. Being virtual also helped us to facilitate knowledge-sharing sessions for our students by the top management minds of the country.

We have also successfully completed placements with the mean CTC offered rising to 10.15 LPA and the highest package offered was 14 LPA. Out of 32 visiting companies, 14 were first-time recruiters. This shows the faith bestowed by corporate partners on our students. We are grateful to them as we could not have achieved this without their help and support.

The faith our recruiters' place in our students stands testimonial to the institute's commitment to provide the corporate world with managers of unparalleled ability.
